Let me apologize for the delay in seeing this message. I need to set up alerts to my phone for this account. We are clearly well past the dates you proposed.

At the last GDC meeting, we talked about a meeting mid to late April so that we could prepare information for the representatives from the City Attorney and District Attorney Offices to bring them up to speed on our efforts. If we could get everyone together next week, that would be great. Do you think that that is doable?

Hi, Captain Underwood! I am hoping you all--SDPD representatives, the City Attorney representative(s), and the District Attorney representative(s)--can come up with at least three (3) times that work for you all to ensure that the necessary entities are all available. I will then try to avail myself on one of those days. An option of three different days are preferred.

Thank you in advance for your efforts.
